Hello everyone!

Hope everyone had a wonderful week, hopefully the weather warms up a bit cause I need that spring season to come soon.

Here are the events that will be covered within this email:

- Company Lunch w/ American Building Company
- Murphy's Happy Hour

Company Lunch w/ American Building Company

Representatives from **American Building Company**, a nationally recognized firm and one of the nation's most experienced firms in custom engineered steel building systems, will be hosting a lunch in **Newmark 3310** on **March 30th, 2022** between **12 - 1 pm**.

A presentation will be given towards the beginning of the lunch, the rest of the event will be an **opportunity for you all to network and get to know the representatives!**

If you are interested in attending, please click [this link](#) to RSVP through CampusGroups.

Murphy's Happy Hour!!

Join us at **Murphy's Pub** for the ASCE Happy Hour on **April 1st, 2022 at 5-6:30pm**. It will be a great way for everyone to relax after a week of intense school work.

We hope to see you all at the happy hour, hanging out with fellow ASCE members to end the week!

We will be hosting a lunch info session with the American Buildings Company on Wednesday, March 30th from 1-2 PM in Newmark 3310!

American Buildings is one of the largest and most experienced manufacturers of custom engineered steel building systems in the world. With one of the widest array of product offerings, from simple to the complex, American's Builder Network throughout North America has the expertise to deliver top quality, sustainable metal building systems and services.

A presentation will be given closer towards the beginning, but afterwards it will be a networking opportunity to chat with representatives one-on-one and grab food, so no worries if you can't stay for the full hour.
