

Subject: [ASCE UIUC] Granite GM, Murphy's Trivia, and Course Scheduling Workshop!

Date: Monday, October 18, 2021 at 11:02:01 AM Central Daylight Time

From: Dominic Pontrelli

To: Kats, Madison Noelle

Hello ASCE members,

We hope you all had a nice weekend! Below you can find some more information on upcoming events we're hosting soon!

Also, be on the lookout for ASCE board applications to open soon! Joining the ASCE UIUC student board is a great way to be involved on campus and an opportunity to take on a leadership role within the CEE community. Applications will be included in next week's newsletter along with descriptions of each open position. We encourage all ASCE members to apply if interested!

Topics included in this newsletter:

- General Meeting w/ Granite Construction (1 pt)
 - Murphy's Trivia Night
 - ASCE Course Scheduling Workshop (1 pt)
-

General Meeting w/ Granite Construction

We will be hosting a general meeting with Granite Construction this **Thursday, October 21st, from 6-7 PM in Newmark 1310!** From infrastructure that facilitates the movement of goods and people to projects that improve the way they live, work, and play, high-value partnerships power their projects and fuel their mission to build a better world together. Granite is one of the largest full-service general contractors, construction management firms, and construction materials producers in the U.S. Deeply embedded in their nearly 100-year history is a culture of hard work, honesty and getting the job done right.

If you're interested in attending, please click the link [here](#) to RSVP through CampusGroups.

If you'd like to learn more about Granite, you can visit their [website](#) and see what positions they currently have open [here](#).

Food will be provided at the end of the meeting and all members who attend will receive one (1) membership point.

Murphy's Trivia Night

Come join us at Murphy's Pub this **Sunday, October 24th from 5-7 PM** and play trivia! Murphy's hosts trivia nights every weekend and we're planning on having an ASCE team compete! Anyone is welcome to join, this is not an organized ASCE event, just an opportunity to hang out with other ASCE members! No expertise is required as the trivia categories are usually based on topics that are common knowledge.

Please note that you have to be 19+ to enter Murphy's Pub.

If you're interested in going, please email Ashmitha Dandamudi at ard5@illinois.edu or DM her on the ASCE UIUC Slack. We hope to see some of you there!

Course Scheduling Workshop

Registration for next semester is right around the corner, so we're hosting a course scheduling workshop to help everyone prepare their schedules! Course scheduling can be overwhelming for a lot of people, especially if you're unfamiliar with certain classes and the workload that goes along with them. At the workshop, you'll have access to several CEE upperclassmen that have taken those courses in the past and they can help answer any questions you might have.

The workshop will be taking place next Thursday, October 28th, from 6-7 PM in Newmark 1310. All attendees will receive one (1) membership point for attending. Snacks will be provided as well!
