Hello ASCE members,

This is a friendly reminder that we will be hosting a general meeting with Langan **tonight from 6:00 - 7:00 PM in Newmark 1310**. Langan provides an integrated mix of engineering and environmental consulting services in support of land development projects, corporate real estate portfolios, and the oil and gas industry. Their clients include developers, property owners, public agencies, corporations, institutions, and energy companies around the world.

Also, on top of passing out pizza after the meeting, we will be hosting a free professional photoshoot for ASCE members from 7:30 - 8:00 PM. Please dress business casual if you would like to have your headshot taken. T-shirts will be passed out as well for those of you who have yet to claim yours.

If you're interested in attending, please click the link here to RSVP through CampusGroups! **All attendees will receive one (1) membership point.**

We hope to see you there!
