Hello ASCE members,

We hope you all had a nice weekend and were able to spend some time with friends and family. Here's some info on a handful of our upcoming events planned for the next couple weeks!

Topics included in this newsletter:

- American Red Cross Blood Drive in Crane Bay (Today)
- Tour of Siebel Center for Design (April 13th)
- ASCE Cross-Chapter Social (April 8th)
- MakerGirl Internship and Full-Time Opportunities

American Red Cross Blood Drive in Crane Bay

We're hosting a blood drive through the American Red Cross **today** in the **Crane Bay of NCEB** from **11 AM - 4 PM!** There are limited appointment spots available, but there's still time to sign up to donate if you haven't already. **Your donation could save up to three lives!**

Every donor between the ages of 16-24 will receive a \$10 e-giftcard for a place of their choosing and all donors are granted access to a free COVID-19 antibody test as well as an automatic entry in a raffle to win 1 of 2 \$100 gift cards!

Click [here](#) to schedule an appointment!

All donors are asked to enter Crane Bay through the South side of Newmark on Stoughton St. (near the bike racks and towards the Digital Computer Laboratory).

Thank you all for participating and making a difference!

All donations are tested for COVID-19 antibodies.
Plasma from antibody-positive donations may help current coronavirus patients in need.

Tour of Siebel Center for Design

We're very excited to announce that we've arranged for a **private tour** of the new **Siebel Center for Design** for ASCE members! The building isn't slated to open until Fall 2021, so you could be one of the first students on campus to experience it!

The tour is scheduled to take place on **Tuesday, April 13th** (the final non-instructional day of the semester) at **3 PM** and will be an **in-person event**, so you will have to be on-campus to attend. COVID-19 safety measures will also be in place, so masks and Safer Illinois status are required to participate.

If you would like to reserve a spot on the tour, please fill out this [form](#) and do so quickly because **capacity is limited!**

If you fill out the form and select that you would like to participate, we will contact you within the week to confirm your spot. We do want to urge that **attending the tour is mandatory once you confirm your spot**, and in the event that you cannot make it, we ask that you let us know as soon as possible.

We look forward to seeing some of you there in what should be a really cool experience!

ASCE Cross-Chapter Social

A flyer for ASCE Social Hour. The background is black with colorful, abstract brushstroke-like graphics in shades of cyan, yellow, pink, and orange. The text is in white and cyan. The main title 'ASCE SOCIAL HOUR' is in large, bold, cyan letters. Below it, the event details 'COME JOIN US FOR A VIRTUAL SCAVENGER HUNT AND ESCAPE ROOM!' are in white. The date and time 'April 8th, 2021 @ 6 PM CST (7 PM EST)' are in cyan. The text 'scan the QR code to join' is in cyan. A QR code is located in the bottom left. The text 'HOSTED BY THE ASCE STUDENT CHAPTERS OF' is in white, followed by a list of universities: 'UIUC', 'COLUMBIA', 'GWU', 'NOTRE DAME', and 'COOPER UNION' in different colors. The bottom right features a colorful bar chart graphic.

Join us for another Social Hour with ASCE Student Chapters from around the country this **Thursday, April 8th at 6 PM (CST)**! A **virtual scavenger hunt** and **escape room** are planned, and it's a great opportunity to meet students from other universities.

If you would like to attend, please **RSVP** through the **CampusGroups** link attached at the bottom of this email! You can scan the QR code on the flyer above to join the Zoom meeting on Thursday night.

MakerGirl Internship and Employment Opportunities

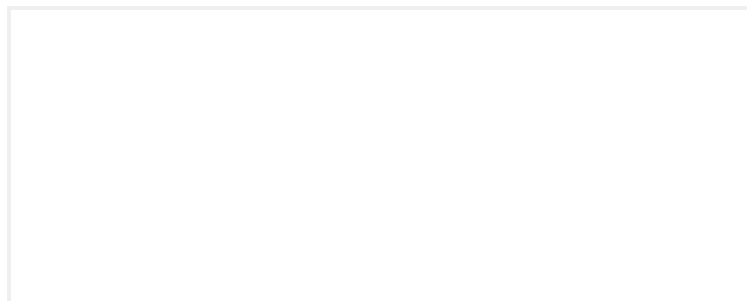

MakerGirl is a not-for-profit organization working to bridge the gender gap in STEM (Science, Technology, Engineering, and Math). Since 2014, MakerGirl has educated over 4,700 students through our program in 28 states across the country and 3 additional countries.

Due to MakerGirl's explosive growth recently with virtual learning, the critical need for STEM education, and the desire for every girl to be a MakerGirl, they are seeking **summer interns** and a **new full-time position** to join their team.

If you're interested in learning more, you can check out their career page attached here: <https://makergirl.us/careers>. If you have any questions, you can send them through info@makergirl.us.

That's it for this week and we hope to see you all around soon!

Sincerely,
Dominic Pontrelli
ASCE UIUC Secretary
