Hello ASCE members,

We hope your first week of classes went well! Before we share some info on our upcoming events, we wanted to include some quick reminders:

- Thank you to everyone who attended the CEE Fall Kickoff and visited our booth! No worries if you weren't able to make it, [click here to view the compiled presentation slides for each of the RSOs with all of their info and important QR codes included.](#)

- Remember to [join the ASCE UIUC Slack Channel](#) for updates about our events and activities! Slack is an easy way to communicate with anyone in ASCE and there's also resources for classes, music recommendations, and memes! Click [here](#) to join!

Topics Covered In This Newsletter:

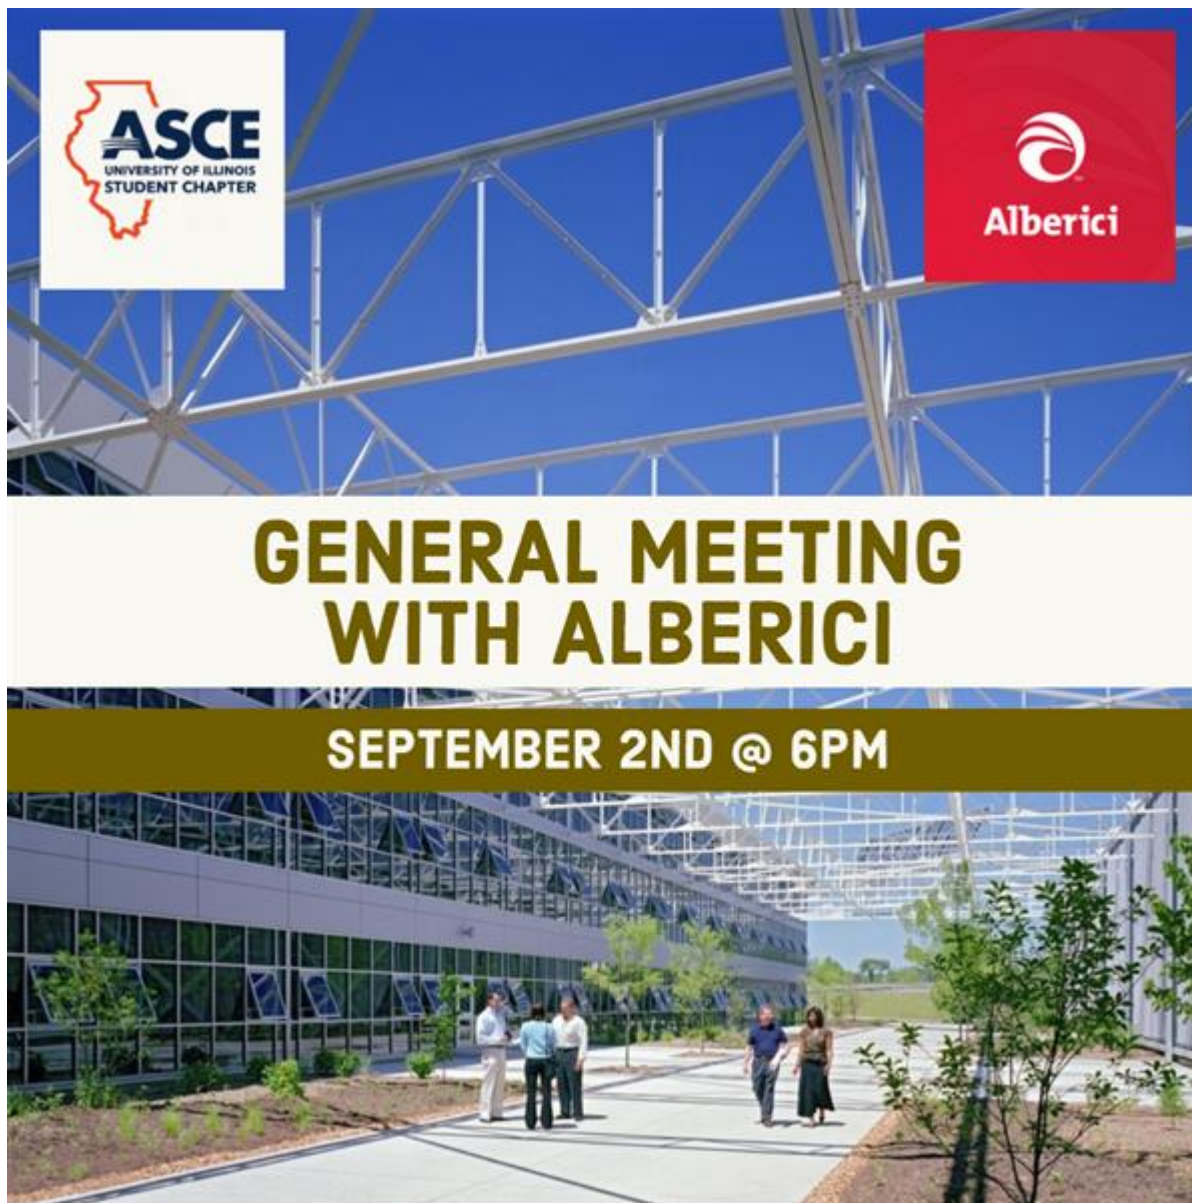

- ASCE UIUC Membership Form
- General Meeting with Alberici
- Mentorship Program
- Stacy & Witbeck One-on-One chats

ASCE UIUC Membership Form

We encourage everyone to sign up to become an official member of the UIUC ASCE Student Chapter by filling out [this form](#) and paying their membership dues. While anyone is welcome to attend our general meetings, [paying members receive certain benefits such as the ability to participate in intramural sports, a free t-shirt, and more!](#) The sign-up form asks for basic info about yourself and includes instructions about how to pay your dues.

It only takes 5 minutes of your time and we ask that you [fill it out before the September 12th deadline.](#) Please contact Danny Gentile at dtg2@illinois.edu if you have any questions.

General Meeting w/ Alberici

We're very excited to announce that our first general meeting of the semester will be with Alberici Constructors this **Thursday, September 2nd at 6 PM in Newmark 1310.**

Alberici is a diversified construction company recognized for superior quality and customer service. With operations throughout North America and clients around the world, they offer general contracting, construction management and design-build solutions, as well as the ability to self-perform key components of their projects. They work across a broad spectrum of industrial and commercial markets.

If you plan on attending, please click [here](#) to RSVP. **Facemasks are required for all attendees and Safer Illinois status will be checked upon entry. Food and drink will be provided during the meeting.**

Mentorship Program

A flyer for the ASCE Mentorship Program. The top section shows a man in a blue shirt looking at blueprints on a desk with a blue hard hat and a smartphone. A sign on the desk reads "ASCE UNIVERSITY OF ILLINOIS STUDENT CHAPTER". Below this is a large white banner with the text "ASCE MENTORSHIP PROGRAM". Underneath is a dark grey banner with the text "PAIR UP WITH A MENTOR FROM ASCE TO GUIDE YOU THROUGH THE COLLEGE OF ENGINEERING!". The bottom section features two QR codes: "MENTOR SIGN UP" on the left and "MENTEE SIGN UP" on the right. A dark grey button with a left-pointing arrow and the text "SIGN UP HERE!" is positioned between the QR codes. The background of the bottom section shows a desk with a laptop and blueprints.

MENTOR SIGN UP

MENTEE SIGN UP

We are still accepting applications for both mentors and mentees for our student-led mentorship program! Mentees will have the opportunity to connect with an upperclassman ASCE member to help them in their transition to college.

All freshman and sophomore ASCE members are able to apply as mentees, while all junior and senior ASCE members are able to apply as mentors. **Sophomores are encouraged to apply as mentees, especially if new to the program.** Applications will be used to match mentors and mentees based off of hobbies, career interests, hometowns, and more!

The first program-wide event, which will be a fun meet and greet barbeque, is scheduled for Saturday, September 11th at 4 PM. The deadline to submit applications is Sunday, September 5th at 11:59 PM. You can scan the QR codes on the above flyer to sign up for whichever position applies to you!

"Alberici is a diversified construction company recognized for superior quality and customer service. With operations throughout North America and clients around the world, we offer general contracting, construction management and design-build solutions, as well as the ability to self-perform key components of our projects. We work across a broad spectrum of industrial and commercial markets.

Founded in 1918, Alberici's core business strategy remains straightforward: develop and maintain long-term relationships with all of our clients. Nearly 80 percent of our revenue comes from repeat business. As a result, Alberici has maintained consistent growth. We hold no debt, maintain a healthy balance sheet and backlog, and have exceptional bonding capacity.

Alberici places the highest priority on safety. Through our SafeRing program, we have developed a strong culture of safety. We execute our work in the safest means possible to achieve zero incidents."
