Hello ASCE members,

We hope you're all making the most of your long Labor Day weekend! We also really enjoyed seeing a lot of you at the general meeting on Thursday, it was a great turnout! For those of you that couldn't make it, [here](#) are the ASCE slides from the presentation. They include some important details about our plans for the semester so we encourage anyone who wasn't there to take a couple minutes to look over it.

Included below is some information about our upcoming events that we think you'll be interested in!

Topics Covered In This Newsletter:

- ASCE UIUC Membership Form
 - Resume Review Workshop
 - ASCE T-Shirt Design Contest
-

ASCE UIUC Membership Form

We encourage everyone to sign up to become an official member of the UIUC ASCE Student Chapter by filling out [this form](#) and paying their \$15 membership dues through Venmo. While anyone is welcome to attend our general meetings, **paying members receive certain benefits that are outlined [here](#) in our new membership point system. Paying your dues also helps fund events and programs for everyone to enjoy throughout the school year!**

It only takes 5 minutes of your time and we ask that you **fill it out before the September 12th deadline**. Also, you don't need to submit your dues at the same time that you complete the form, you just need to have your dues submitted to us by September 12th.

Please contact Danny Gentile at dtg2@illinois.edu if you have any questions and/or need any alternative payment methods.

Resume Review Workshop [2 Points]

With career fairs right around the corner, it's crucial to have a resume that's concise, organized, but also helps you stand out as a candidate. One of the major struggles that college students face is creating a resume that can land an interview, often because it's hard to know what recruiters and companies are looking for. That's why we're holding a resume review workshop this **Thursday, September 9th from 5-7 PM in Newmark 1310!**

Stop by and take advice from ASCE members who have experience in the recruiting process so that you're in the best position to receive some offers this Fall! **If you're interested in attending, please [click this link](#) to RSVP through CampusGroups.**

All attendees will receive two (2) membership points.

ASCE T-Shirt Design Contest

Help design our new t-shirt for the 2021-2022 school year! Each school year, we ask our members to submit their best t-shirt designs for our ASCE UIUC chapter shirt! Our student board votes on their favorite design and that becomes our official shirt that we hand out to members and the **winner receives free membership dues and a shirt (you will be reimbursed if you already paid). All participants will receive one (1) membership point for just submitting a design!**

If you're interested in submitting a design, please use the link [here](#). There are a few guidelines that need to be followed, but other than that have fun with it!

If you have any questions, please contact Dominic Pontrelli at djp5@illinois.edu.
